Dear Owen

AvoGreen® Pest Monitor Accreditation

You have completed the requirements to become an AvoGreen Pest Monitor allowing you to monitor on behalf of Owen Robertson.

Attached is your AvoGreen Pest Monitor certificate and AvoLearn learning record.

The licensed Operator or licensed Owner-operator shall remain responsible and have ownership of the services you provide and must ensure that you are aware of and comply with all obligations for AvoGreen monitoring as per the Licencing Agreements and the AvoGreen Manual.

- This certificate is valid for five years from the date of issue.
- Pest monitors are required to undergo an **annual online** refresher course. NZ Avocado will remind you when this is due and it will be in the form of a short online test.
- Along with the refresher course, monitors must continue to perform monitoring every season to maintain accreditation.
- If you skip a season, you will lose your accreditation and will be required to attend a refresher course to become qualified again.
- NZ Avocado communicates any changes or updates to the AvoGreen programme via email.
